

Technical information

Leracid® ECO-TOP Citro toilet gel 3-in-1

Characteristics:

Leracid® ECO-TOP Citro toilet gel 3-in-1 is an acidic toilet gel for cleaning the toilet and urinal.

Leracid® ECO-TOP Citro toilet gel 3-in-1 dissolves dirt, urine scale and limescale quickly. Leaves behind a pleasant fresh lemon scent.

Application:

The product is applied in the toilet and urinal area with the practical angled neck bottle. A few minutes of exposure time are sufficient. If necessary, after brushing and then rinsing. A low dosage is sufficient and protects the environment.

Dosage:

Manuel cleaning: use undiluted

Specifications:

pH of concentrate: 1,5 – 1,7

Product colour: yellow

Packaging Unit:

750 ml angled neck bottle, 12 per carton

Responsible Care

Anyone using the products should be aware that chemical must be handled with caution. Recommendations for storage and hazard information are contained in the applicable materials safety data sheet. Spent solutions and residual product should be disposed of as required by the competent authorities. The information provided is based on our experience.
