	Refill	15.20	x 12.70	Height x Diameter(cm)	0.25
	Sheet	15.20	x 30.40	Length x Width(cm)	

Product Description

Certain controlled tasks require very specific wiping products and dispensing systems. With this in mind, expertise and wiping technology was applied to create a premium-quality task-specific range that can help maximise efficiency and productivity while reducing wiping and solvent costs. Kimtech™ Wettask™ DS Wipers designed for use with pre-soaked cloths to help control the costs of solvents and disinfectants and improve safety by reducing spills. (Liquid solution not supplied). Perfect for infection control in busy healthcare environments, and resistant to mould and bacteria these large, perforated wipers are ideal for use in areas where hygiene and safety are of key importance. Individual sheet size 15.2cm (L) x 30.4cm (W). Compatible with WETTASK™ Roll Wiper Dispenser Buckets (product code 7918 and 7919). These wipers are also compatible with a range of mobile or mounted dispensing systems to help control use and reduce wastage. 6 x 140 white refill sheets (840 total)
