

Product Data Sheet for WypAll® L10 Service & Retail Wiping Paper - Centrefeed for Reach+™ / Blue - 7407

Product Information

Product Long Code	07407300
Customer Facing Code	7407
Description	WypAll® L10 Service & Retail Wiping Paper - Centrefeed for Reach+™ / Blue
PDS Reference	23/05/2022

Packaging Configuration

Case Contents	7407: 6 Rolls x 500 Sheets = 3000 Sheets
Outer Pack Material	LDPE

Icon	Unit	Dimension			Weight(kg)
	Roll	18.30	x 19.50	Height x Diameter(cm)	1.16
	Sheet	38.00	x 18.30	Length x Width(cm)	

Product Description

No matter which surfaces they come into contact with throughout their day, give your employees and visitors greater peace of mind by providing proven cleaning and disinfecting workplace hygiene solutions to help break the chain of germ transmission. WypAll® L10 service and retail cleaning wipes are designed to deliver on your wiping task, every time. These brand embossed, single sheet perforated blue centrefeed rolls are mid-size with high capacity. The compacted wiper rolls with more sheets per roll result in less refills and fewer trucks on the road, offering you higher sustainability standards by reducing CO2 emissions and waste. Our unique Airflex™ technology delivers exceptional strength and absorbency in every paper wipe and the blue roll is designed to be easily detectable in contamination critical environments. The versatile, 1 ply cleaning paper rolls can be used inside or outside a dispenser to suit your needs. WypAll® L10 service and retail wiping rolls are compatible with our portable WypAll® ReachPlus™ dispenser (6521) and also Aquarius™ Roll Control™ wall mounted wiper dispensers in white (7018) and grey (7181), using the existing red plate. These quick loading, easy-clean wiping paper dispensers, offer more reliable single sheet dispensing solutions. Controlled single sheet dispensing reduces the number of cleaning wipes used whilst ensuring that the user only touches the sheet they need, securing a maximum of hygiene and offering better cost control. This WypAll® blue roll can be used once with detergent or disinfectant. These Kimberly-Clark™ wipers have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe own work spaces, vehicles, desks, seating and food prep areas before and after use. Spray and wipe also helps to enable production workers to clean down / sanitise individual workstations before hand-off to next shift. For environments where fully saturated wiping is a requirement, these WypAll® wiping rolls are tested as compatible with soap/detergent. Always follow manufacturers instructions for dilution, application and contact time. These WypAll® L10 centrefeed rolls are designed for service and retail environments. These WypAll® wipers are also available in white (7406). Each cleaning wipe measures 38cm (L) x 18.3cm (W). 6 Blue Rolls x 500 Paper Wipers (3,000 total)

Product Features

- Each WypAll® L10 service and retail wiping paper roll contains 500 brand embossed, 1 ply, blue paper wipes
- With unique Airflex™ technology, these cleaning wipes deliver exceptional strength and absorbency
- Delivered in a centrefeed roll format, the versatile mid-size wiper rolls can be used inside or outside a dispenser and offer more sheets per roll, resulting in less refills and fewer trucks on the road
- These WypAll® L10 single sheet, perforated blue centrefeed rolls are designed for service and retail environments
- Blue roll compatible with Aquarius™ Roll Control™ wiper dispensers (7018, 7181) using the existing red plate and also our WypAll® ReachPlus™ dispenser (6521), offering more reliable single sheet dispensing solutions, for improved workplace hygiene and better cost control
