FORMAT: PASTE

FEATURES	BENEFITS
With mild ester based solvent	Specialist solvent provides outstanding cleaning action without harming the skin.
Effective specialist cleaning	Removes alkyd and acrylic paints, base coats, lacquers, resins, body fillers, adhesives and varnishes.
Highly concentrated formulation	Uses 100% active ingredients in a clay-thickened matrix, enabling only a small amount of product required for effective and economical cleaning.
Contains patented Astopon® natural scrubbing agent	Astopon® is produced from refined walnut shell powder, a natural and renewable source and helps provide a deep clean without damaging the skin and has no negative impact on the environment. The scrubbing agent is easily rinsed away, preventing blocked drains and pipes.
Soap-free formulation	Formulated for frequent use to be gentle to the skin.
Low odour	Pleasant to use with high level user acceptance.
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken.

Kresto® Special ULTRA

Specialist Heavy Duty Hand Cleaner

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying with Regulation EC No 1223/2009 (as amended) on Cosmetic Products. Contains biodegradable surfactants in accordance with the Detergents Regulation 648/2004 (as amended).

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/msds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.
