Technical Data Sheet

r-MicronQuick

International article number

170605 blue, 170632 red
170633 yellow, 170634 green

Product classification

Microfibre cloth

Fibre composition

70% Polyester
30% Polyamide

Technical data

	Typical value	Unit
Size	38 x 40	cm
Weight per unit area	135	g/m²
Thickness	0.55	mm
Water absorbency dry	450	%

Product properties and application

- For wet and damp cleaning of hard surfaces
- Cloth is made from up to 70% recycled materials - recycled polyester (post-consumer)
- Advanced microfibre technology for optimum durability and cleaning performance without aggressive chemicals
- Each MicronFibre gets split into 32 segments for a superior cleaning performance
- Efficient removal even of fatty dirt
- Streak free surface cleaning, no water residue left behind on the surface
- Lint free and improved wear resistance
- Up to 99.99% virus removal tested with Bovine coronavirus on vinyl surfaces at a 3rd party lab
- Up to 99.99% bacteria removal tested with P. aeruginosa & S. aureus on vinyl surfaces at a 3rd party lab
- Durability up to 400 washes tested at internal lab with chemical-thermal disinfection at 60°C
- The 4 color system offers simple differentiation of cloths and individual adaptation to hygiene system
- Suitable for pre-prepared cloth method (washing machine or manual preparation)
- Rinse off particulate matter (e.g. sand, mineral dust) from surfaces prior to cleaning action in order to avoid surface damage

Washing recommendations:

- Ideal conditions: 60°C, avoid high alkalinity and strong bleaching activity (do not use chlorine bleach), wash with similar colours
- Maximum washing temperature: 95°C

Storage, disposal and end-of life

Keep palletized products in a cold and dry place. Avoid exposure to direct sunlight. Product is not subject to transportation regulations for hazardous substances or chemicals. Disposal via landfill or incineration possible. Please respect local regulations.

Quality approvals / Compliance with international standards

This product is compliant to our internal quality standards and external regulations.
