

Multi Purpose Abrasion Protection

Light Duty

Cost effective solution for light duty applications requiring a good level of abrasion resistance & grip, as well as high tactility in dry to slightly oily environments

- Made with a black 15 gauge highly comfortable and dexterous polyester liner (depending on the application requirement)
- EDGE 48-126 industrial work glove combines a seamless knitted liner with elasticized knit wrist dipped into black polyurethane coating.
- This combination provides good flexibility and finger dexterity compared to cotton canvas or thick cotton gloves.
- EDGE 48-126 is the efficient choice for an inexpensive light duty glove solution with quality features.

Industries

- Automotive
- Electronics
- Machinery and Equipment
- Oil and gas
- Transportation
- Utilities

Applications

- Assembly of small pieces
- General handling
- Packaging
- Quality inspection

Key Features

- Black glove shows dirt less, gloves are discarded less quickly
- Seamless structure; ensures comfort and encourages safety and glove usage

Vulcanization Chemical Accelerators

- Natural rubber proteins

Only a very small number of users may be sensitive to this ingredient(s) and hence may develop irritant and/or allergic contact reactions.

Performance Standards & Regulatory Compliance

REACH Compliant

EN388: 2016

4121A
