

Product Code: 7260

F2 WypAll® L20 General Clean - Centrefeed for Reach+™ / Blue /2ply

Marketing Brand: WypAll®

Sub Brand: L20

Product Title: WypAll® L20 General Clean™ Medium Duty Wipes 7260 - 2 Ply Centrefeed Rolls - 6 Blue Rolls x 550 Paper Wipers (3,300 Total)

General Description: From wiping up grime, oil and grease to soaking up food prep spills, having the right wipe on hand is crucial to your operation. A clean, absorbent and durable alternative to paper towels, rags and shop towels, WypAll® offers a wide range of task-specific wipes and cloths designed to meet your industry needs and enhance your confidence in every clean. The General Clean™ range helps create a clean work environment with effective light-to-medium duty general cleaning solutions. WypAll® L20 General Clean™ Medium Duty Wipes are designed for the specific environments where it will be used and comes in mid-size, portable, durable centrefeed rolls; the ideal solution for more demanding cleaning and maintenance tasks. These blue paper rolls are compatible with our most versatile centrefeed dispenser the WypAll® Reach PLUS™ (6521). The WypAll® Reach PLUS™ dispenser helps save money and reduce environmental impact by delivering the ultimate versatile single sheet dispensing system. Offering hygienic multipositional wall mounting options, WypAll® Reach PLUS™ offers up to 50% less paper consumption*, driving sustainability across your business and reducing CO2 emissions. The embossed 2 ply, single use, blue wiping paper will manage water spills, spray and wipe cleaning and drying or cleaning hands effectively and efficiently, delivering a great balance of performance and value. Blue roll is also designed to be easily detectable in contamination critical environments. These disposable wipers come at the value you would expect from a single use wiper, but with exceptional strength and absorbency resulting in fewer wipers needed and less money spent. WypAll® L20 wiping paper can be used with detergent or disinfectant. These industrial wipers have been tested as compatible for use in spray and wipe application with peracetic acid, hydrogen peroxide and quats (quaternary ammonium compounds). Spray and wiping compatibility helps to ensure workers can wipe their own workspaces, vehicles, desks, seating and food prep areas before and after use. When these dry cleaning wipes are used for spray and wipe it also helps to enable production workers to clean down/sanitise individual workstations before hand-off to the next shift. For environments where fully saturated wiping is a requirement, these WypAll® L20 General Clean™ wipers are tested as compatible with soap/detergent. Always follow manufacturers' instructions for dilution, application and contact time. Individual sheet size 24.5cm (L) x 18.3cm (W). *Results of Hall testing August 2022.
