GRILL CLEANER

Intensive cleaner

BUZ[®] GRILLMASTER G 576

Grill & oven cleaner, highly alkaline

Application and dosage

Neat

Use on cold surface only. Spray foam neat onto surface. Allow contact time depending on degree of soil. Rinse thoroughly with clean water. Heat up cleaned unit after cleaning if necessary.

Note

Surfaces or objects that come into direct contact with food, freed from cleaning residues by careful rinsing with water.

Switch off sources of heat before use.

Not suitable for use on alkali-susceptible materials such as aluminium or non-ferrous metal.
